Admission Requirements – Traditional Master of Education

- Official transcripts of all college work, including a degree posted transcript from an accredited college or university.

- A minimum GPA of 2.5 on a degree posted transcript.

- Satisfactory Miller Analogies Test score or Graduate Record Examination score that is no more than five years old. The minimum acceptable score varies. A formula based on a combination of both the score and the GPA is used to determine eligibility. Scores must be official and submitted from the testing agency.**

- A copy of your valid, current Alabama Teaching Certificate reflecting certification in your proposed graduate teaching field on the Class B level. Exceptions: Instructional Leadership, School Counseling, Reading Specialist, Collaborative Teaching – these areas allow Class B certification in some other area.

- Alabama Certification of Teachers Fingerprint Inquiry Clearance. You may view the Cogent Systems Web site at https://www.cogentid.com/al/index_adeNew.htm

Provisional acceptance will be granted if a transcript is submitted that reflects a GPA of 2.75 or higher on the last 75 semester hours of coursework done toward a degree. This provisional status allows you to enroll in one semester of study only. The remaining admission requirements must be met prior to registration of your second semester of study.

***Take the test (MAT or GRE) in plenty of time for results to be sent to AUM. To sign up for the MAT, call (334) 244-3306. To take the GRE, contact a local Sylvan Learning Center. Allow approximately six weeks for official results to arrive at AUM. Make sure that you request that results be sent to AUM, not Auburn.*
