

NOTICE

To All Education Students Completing Observations in a School System

The State Department of Education requires that all students observing children be fingerprinted and cleared by the ABI & FBI before observing in school system.

For fingerprinting services, please visit:

https://www.aps.gemalto.com/al/index_adeNew.htm

For answers to additional questions regarding teacher policy and/or results, contact the Alabama Department of Education, Teacher Education and Certification office at (334) 353-8567.

If you are unable to register online or have questions about registering, we can assist you by phone at 1-866-989-9316

If you have general questions, please submit them via email to alhregistration@gemalto.com

Once you receive your suitability letter from the State Department of Education, please bring a copy to the Certification Office, Room 301 Education building. Please contact certification office (244-3102) with additional questions.
