

The Alabama Association of School Personnel Administrators Scholarship Program

The Alabama Association of School Personnel Administrators Scholarship Program is established to recognize upcoming graduates in the field of education. There is a need to attract and recruit qualified future educators from the state of Alabama. **The application deadline is March 30, 2017.**

- The application form will be posted on the AASPA website on (date to be determined).
- The following documents are required:
 - Recommendation letter from the Dean of Education
 - Recommendation letter from a major professor
 - Letter of character reference
 - Official Transcript

General Criteria – applicants must meet each criterion.

- Must have an overall grade point average of 3.0 or better.
- Be an initial Education Major.
- Must be enrolled full-time in an Alabama Accredited Institution of Learning.
- Junior or senior standing required as defined by the institution of learning.
- Should be accepted into the School of Education.

Weighted Criteria – Committee members discussed the option of absorbing particular education majors e.g., math, science, and special education. We concluded that this would be disadvantageous for all school districts, since each district has different personnel needs.
